

# Open Gardens

Calling all green-fingered supporters! Do you have a garden that you could show whilst raising funds for the Macular Society?

**Here are a few suggestions:**

You could organise a **garden walkabout day** in your community by getting your neighbours to sign up, show their gardens and help with the event.

How about organising a **cream tea** at the end of the afternoon?

Why not hold a **raffle** or a **plant and produce sale** or add in a **'find the fairies'** treasure hunt for children?

Let us know about your event and we can publicise dates, venues and opening times on our website. We can also provide plant labels and give you lots of advice and support along the way.

**Thank you for making a difference.** For more information, support or to let us know how you got on, please email [community@macularsociety.org](mailto:community@macularsociety.org) or telephone 01264 560 222.
